Re: **Submission of Revised STWB Inc. RM 10.9 AOC Signature Page**
STWB Inc. – Lower Passaic River Study Area
Our File No. S3721-00001

Dear Karyllan:

As you know, on June 12, 2012, we forwarded to you the original executed RM 10.9 AOC signature page on behalf of our client, STWB Inc. ("STWB"). The form of signature page we provided was the version provided to us at that time. Thereafter, you advised that a simpler, more stream-lined version of the signature page would be used by the parties. In order to meet the deadline for execution of the RM 10.9 AOC, you advised that you would submit STWB's signature page to USEPA, but would replace it with the new version of STWB's executed signature page upon receipt.

In line with your instructions, enclosed is the original executed new version of the RM 10.9 AOC signature page on behalf of STWB. Please submit this new signature page to USEPA and request the return of the prior version of the STWB signature page.

Thank you for your efforts on this matter.

Very truly yours,
